Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: An agreement was reached of the distinction between the prior art and the immediate application and if properly supported by the specification the proposed amendments discussed between the Applicant and the Examiner might overcome the prior art relied upon. Applicant provided further clarification on the interpretation of the claim language and pointed out how the proposed amendments might overcome the prior art relied upon. The Examiner notes that the discussion of the prior art rejection along with the proposed amendments will require further consideration and an updated search. The Examiner agrees to accept figures 1-6 that were inadvertently filed in application serial number 10/660751.
